Overlook Auxiliary Board of Trustees Nomination Form

The Overlook Auxiliary encourages nominations and self-submissions of volunteers who are committed to giving time to serve on the Auxiliary Board of Trustees. Serving on the Board is a great way to learn the inner workings of the Auxiliary and to get involved in this very worthwhile and hands-on organization. Most positions require a 2-year commitment. All submissions provided to the Auxiliary Office by February 1 will be considered by the Nominations Committee for inclusion in the slate that will be voted on at the next Annual Meeting.
